Devon Reflections Jilly Carter,1990-01-01 *Dark Reflections Collection 1* Duncan-Drake, Natasha,2025-03-17 Buckle up for three pulse pounding adventures that toss Hollywood actor Tristan Havering into a reality where the blockbuster superhero epic he starred in is alarmingly real Confront villainous powers unstoppable super forces and shocking twists as Tristan s dual identities blur Is he still the actor or the ultimate threat Dive in and discover a world where fiction and fate collide Me Myself and I Tristan Havering is convinced he s just an actor until a freak accident plunges him into the world he helped bring to life Suddenly every wild plot twist and larger than life power from the Power Up superhero saga isn t just fiction It s terrifyingly real Stranded in this alternate dimension Tristan must grapple with the possibility that he s no longer himself but could actually be Devon the ruthless villain he once portrayed on screen Dreams and Reality Returning to his own reality should bring peace yet four months later chilling supernatural forces tear through Tristan s everyday life The only one who can help is Devon the dangerously unpredictable supervillain now proven very real Bound by treacherous secrets and uneasy attraction Tristan and Devon unite to battle threats beyond imagination even as old grudges and unstable powers threaten to rip them apart Oh Really When Tristan finally settles back into the glitz and glamor of Hollywood his growing abilities refuse to be ignored An impending production of Power Up IV reveals surprising revelations forcing him to consider his own truths and what they mean for his more and more complicated life

The Excursion and Wordsworth's Iconography Brandon C. Yen,2018-09-20 This book considers William Wordsworth s use of iconography in his long poem The Excursion Through the iconographical approach the author steers a middle course between The Excursion s two very different interpretive traditions one focusing upon the poem s philosophical abstraction the other upon its touristic realism Fresh readings are also offered of Wordsworth s other major works including The Prelude Yen explores Wordsworth s iconography in The Excursion by tracing allusions and correspondences in an abundance of post 1789 and earlier verbal and pictorial sources as well as in Wordsworth s prose and poetry He analyses how the iconographical images in The Excursion contribute to and impose limitations on the overarching preoccupations of Wordsworth s writings particularly the themes of paradise lost and paradise regained in the post revolutionary context Shedding light on a vital aspect of Wordsworth s poetic method this study reveals the visual etymologies together with the nuances and rhetorical capacities of five categories of apparently collateral images envisioning rooting dwelling flowing and reflecting

Valley of Mystery S.F. Swem,D.A. Swem,2011-08-11 Aithera s travels take her through forests and villages in her pursuit of the ways of magic and along the way she encounters an old man named Devon She is drawn to help him survive a sudden snowstorm and a mystery begins to

unfold about his past Another victim of the snowstorm appears to help her a country girl named Jira Is this a chance meeting or are other forces involved As they help the old man Aithera and Jira discover that he has a broken amulet its magic scattered much like the old man s mind Through visions they see glimpses of his past that reveal he was once powerful loved and adored Together they set out to find the pieces to the amulet and with each piece found Devon gets stronger and younger The search takes them to a hidden valley and to those that know the past and also those that seek to stop the return of the great lord Aithera will have to face nightmares from her orphaned past Jira will find that she is not just a simple farm girl and Devon will return to the source of his greatest pain Valley of Mystery just might create more questions than it answers
