## **Asian Front:**

**Britain, Southeast Asia and the Onset of the Cold War, 1945-1950** Nicholas Tarling, 1998-10-13 This detailed study throws light on the evolution of British policy in South east Asia in the turbulent post war period Through extensive archival research and insightful analysis of the British mindset and official policy Tarling demonstrates that South east Asia was perceived as a region consisting of mutually co operating new states rather than a fragmented mass The book covers the immediate post war period until the Colombo plan and the outbreak of hostilities in Korea A companion volume to Tarling s *Britain Southeast Asia and the Onset of the Pacific War* it finds parallels between Britain s approach to the threat of Japan and its approach to the threat of communism It also shows that the British sought to shape US involvement in part by involving other Commonwealth countries especially India This is a major contribution to the diplomatic and political history of South east Asia

**Inter-Regional Relations and the Asia-Europe Meeting (ASEM)** Bart Gaens, Gauri Khandekar, 2017-08-09 This edited volume examines contemporary relations between Europe and Asia through the prism of the Asia Europe Meeting ASEM ASEM is an informal forum for dialogue and cooperation between 53 partners from both regions Having started in 1996 ASEM aims to enhance political dialogue strengthen economic cooperation and promote socio cultural exchange The book provides insights into past achievements current challenges and possible new directions for ASEM as a dialogue forum The chapters focus on institutional design the security agenda economic cooperation and cultural exchange and civil society outreach through the Asia Europe Foundation They also zoom in on ASEM s Parliamentary Partnership and the ongoing challenge of public awareness and visibility Furthermore they critically examine the implications of the widening process the attempts to reinvigorate the forum and the varied perspectives on ASEM s value for both regions Appealing to policy makers researchers and students this volume provides an in depth analysis of a wide range of issues relating to the role of ASEM in contemporary international relations

**A Peachy Plan** Wendy Meadows, 2026-03-13 When Georgia baker Momma Peach agreed to brave a Vermont blizzard to help a friend she packed her warmest coat and fully expected to return home with nothing more than frostbitten toes and a brand new peach cobbler recipe But the small town of Ridge Falls has other plans The friend who called them north turns up dead and a frightened little girl has vanished somewhere into the storm For an amateur sleuth who never met a puzzling situation she could walk away from Momma Peach has stumbled into something far more dangerous than a Vermont winter The charming village is hiding ugly secrets the chief of police is more hindrance than help and the killers closing in have made it very clear that curious bakers are not welcome With her quirky cowboy sidekick Sam at her side Momma Peach must untangle a deadly web before the blizzard buries the truth for good Will she make it home to her beloved bakery in one piece

*Mutual Trust in Regional and Interregional Cooperation on Counterterrorism* Céline C. Cocq, 2024-07-29 This book provides a detailed theoretical and practical analysis of a key concept in cooperation namely mutual trust in the EU and ASEAN regions It

particularly looks at the issue of counterterrorism. It analyses the differences in the legalistic approach of the EU and the consultation and consensus based approach in the ASEAN region and the correlation between mutual trust and regional and interregional cooperation against terrorism. Thereby this book extends the well known concept of counterterrorism in EU criminal law to another regional case in order to analyse its possible use and operationalisation in other regions. It provides important findings on whether and if so how the EU and ASEAN legal frameworks have facilitated intra regional and potentially interregional cooperation. In order to measure trust it focuses on information sharing and discusses the terminology related to this matter, the mechanisms of cooperation and the difficulties and successes of information sharing. This book is of great interest for academics doing research on trust, transnational cooperation, regional counterterrorism, legal architecture in the EU and ASEAN and comparative legal regional and interregional analysis and officials and practitioners involved in transnational cooperation in criminal matters, especially terrorism.

*Japan and the IISS* Robert Ward, Yuka Koshino, Matthieu Lebreton, 2023-12-12. Strategic links between Japan and Europe during the Cold War were limited. During this period the IISS helped bridge the gap between the two, exposing its membership base to the international affairs of Asia and Japan and providing Japanese scholars, strategists and diplomats with a platform from which to amplify their voices in the West. Analyses by these experts often appeared in IISS publications but the Institute also gained key insights through its well established conferences and lecture series. These initiatives illuminated Japanese strategic thinking and perspectives on contemporary critical issues in Japan's and Asia's foreign security and defence policy. This Adelphi book through its collection of earlier analysis helps the reader to understand the evolution of Japanese strategic thought from the 1960s until today and shines a light on the continuities and changes in this thinking. New original analysis of the material seeks to identify areas where such thinking was prescient and remains relevant to the contemporary strategic environment and other areas where predictions failed or assumptions were proved wrong. These new essays were also informed by interviews of Japanese senior scholars and diplomats who spent time with the IISS. This book seeks to frame, educate and guide strategic thinking on the most pressing issues of today both in and outside Japan and Asia and will be of great interest to analysts, practitioners and students of international affairs.

*Asia In Soviet Global Strategy* Ray S. Cline, 2019-04-10. This book, the final report of the Soviet Global Strategy Project, describes the USSR's basic approach to the many states in Asia and the Pacific Basin including nations stretching from Japan to Australia.

**Not So Peachy Day** Wendy Meadows, 2026-03-22. Momma Peach wanted to trade a snowstorm for a tropical vacation. Instead she found herself trapped in a killer blizzard with a real killer on the loose. When baker and amateur sleuth Momma Peach needs a break, a getaway with her friends Sam and Rosa sounds like heaven. But heaven has to wait when a record breaking blizzard grounds their flight and strands them at a cozy inn in a small Tennessee town. The inn's owner, a stubborn but sweet Vietnam veteran, is fighting to keep his property from a ruthless development company. But when a shady stranger turns up dead in the lobby and the veteran is framed for the crime, Momma

Peach's relaxing vacation officially goes sour. Determined to clear her new friend's name, Momma Peach begins untangling a web of small town secrets. Between dodging danger in the blinding snow and discovering a runaway orphan hiding in the inn's attic who desperately needs a home, her plate has never been fuller. With the power out and the town cut off, Momma Peach must use all her wits to thaw out the clues before the killer strikes again.

**Afro-Asian Bulletin**, 1962     **JAIR Journal of International Relations** Aruna Kumar Malik, Dipmala Roka, Pema Tseten Lachungpa, Prasanta Kumar Sahu, Prosenjit Pal, Rajarshi Chakraborty, Syeeda Khatoon, Nirjhar Mukherjee, 2017-12-31. JAIR Journal of International Relations. JAIR J Int Relat is a biennial peer reviewed refereed journal of International Relations published by The Jadavpur Association of International Relations with the financial assistance from the Indian Council of Social Science Research ICSSR New Delhi.

Asia and the Americas, 1918     **Japan and an East Asian Trading Bloc** Dick Kazuyuki Nanto, 1991     **Summary of Information. Second Section, General Staff. General Headquarters American Expeditionary Forces. Series 2** United States. Army. American Expeditionary Forces. General Staff, G-2, 1918     On Secret Patrol in High Asia Latham Valentine Stewart Blacker, 1922     Asia Fanny Dorothea Herbertson, 1903     **Asia** Andrew John Herbertson, 1907     Asian Review, 1920     **Samar**, 1997     *Current History*, 1917     **Daily Report**, 1975-02     *Mao's Generals Remember Korea* Xiaobing Li, Allan Reed Millett, Bin Yu, 2001. Fifty years after the Korean conflict, what is a forgotten war for some Americans is an aching memory for China. With over a million casualties out of the three million soldiers sent into battle, that war looms as large for the People's Republic of China. PRC barely a year old when North Korea invaded the South as World War II does for most other countries. It was the first international war fought by the Chinese Communist regime to halt counterrevolution; it was also a war that the Chinese fully expected to win by virtue of not only superiority of numbers but also their soldiers' superior political quality. This book presents a mosaic of memoirs by key Chinese military commanders from that war, drawing not only on their personal papers but also on still classified archives and on Chinese language sources unavailable in English. It offers an uncensored behind-the-scenes story of the Communist campaign from the decision to intervene through the truce negotiations that disclose new information on such facets of the war as strategy and tactics, use of propaganda and mobilization of the Chinese population. It also reveals the generals' concerns about the possible use of nuclear force and the alleged use of biological and chemical weapons by the United States. The book contains a wealth of new materials on the Chinese intervention, including combat operations, logistics, political control, field command, and communications. Among those whose recollections are recorded, then acting Chief of Staff Nie Rongzhen reveals how party leadership decided on intervention. Commander in Chief Peng Dehuai provides personal accounts of major battles and communications with Mao, and General Yang Dezhi shares secrets of Chinese military strategy and tactics, discussing how the army orchestrated each battle to contend with the better equipped UN forces. The volume also features an updated short history of the PRC's conduct of the war based on Chinese sources plus rare photos from Chinese archives that put readers behind the lines from the

Chinese side Mao's Generals Remember Korea demonstrates that the PRC continues to draw military diplomatic and strategic lessons from the war it fought fifty years ago with the world's most powerful military force. It offers valuable insight into the Chinese way of war and the military mind of Mao that will be a rich resource for Asian and military scholars.

If you ally dependence such a referred **Asian Front** book that will allow you worth, acquire the enormously best seller from us currently from several preferred authors. If you desire to witty books, lots of novels, tale, jokes, and more fictions collections are afterward launched, from best seller to one of the most current released.
