Coughing or sneezing	    
Watery eyes	    
Itchy eyes, nose, roof of mouth, or throat	    
Nasal congestion	    
Runny nose	    
Dark circles under the eyes	
Hives or other skin irritation	 
Vomiting, stomach cramps, or diarrhea	
Swelling of the throat or other areas of the body	
Tightness in chest, trouble breathing, or dizziness	

These symptoms could be signs of a condition other than allergies, but they are indicators that allergies could be the cause of your suffering. Only your doctor can tell for sure.

Allergy In General Practice

National Library of Medicine (U.S.)

Allergy In General Practice:

General Practice Kerryn Phelps, Craig Hassed, 2011 The aim of the book is to provide a comprehensive General Practice text book which takes a contemporary integrative approach to diagnosis investigation and management of health issues and disease states encountered in the general practice environment The book will cover the philosophy underpinning general practice in the 21st Century and deal with primary and secondary prevention as well as acute and chronic disease management General Practice The Integrative Approach will inform doctors as fully as possible about potential treatment and prevention options as well as potential pitfalls according to the growing evidence base in this area The book is directed at best practice rather than alternative practice The first section of the textbook lays the foundations and principles of Integrative Medicine and the second section examines important medical conditions in a systems based approach Each chapter begins by detailing the allopathic medical and consulting knowledge required of a standard GP text discussing physiology and pharmacological management plans of systems based conditions The chapter then leads into an evidence based discussion of the therapeutic options available for the treatment of associated factors essentially providing practitioners with the knowledge required to adapt their approach to meet the needs of the individual patient A national panel of experts with experience in Chinese medicine herbal medicine nutritional medicine naturopathy and exercise therapy have contributed to their various fields of expertise to incorporate management plans that utilise a variety of therapeutic modalities to achieve the best clinical outcome incorporates evidence based and safe therapies including conventional medical care lifestyle interventions and complementary therapies is directed at best practice rather than alternative practice focuses on prevention and health promotion a symptomatic layout matching the approach of contemporary medical curriculum each therapeutic modality and therapeutics contributor is coded with an icon for easy modality reference a unique chapter covering medico legal issues a ready reference herb drug interaction chart expert authors include Dr Kerryn Phelps well known Australian medical practitioner and President of the Australasian Integrative Medicine Association AIMA

Practical General Practice E-Book Adam Staten, Paul Staten, 2019-06-10 Practical General Practice is a highly practical manual specifically designed for use during the consultation process Containing over 1000 conditions the unique underlying structure of the book allows the GP to see immediately what treatment is recommended and why All recommendations are highly specific giving a firm guide to the GP during the consultation process rather than a list of possibilities that the GP might wish to consider Bullet points for action which give the GP an immediate summary of the issues that must be covered in the consultation Bullet points of the key evidence which justifies those recommendations All chapters thoroughly revised to reflect changes in the evidence and in major guidelines since the last edition NNT values provided when available New editorial team New research and guidelines relating to evidence based medicine included Greater focus on international guidelines and opinion New introductory chapter Principles and Practice of Primary Care taking account of topics relevant to
