LEARNING TO FOLLOW JESUS will help you develop seven essential attributes of a disciple of Jesus Christ You will learn how to become a fully devoted follower of Jesus by reading the Scripture passages answering the questions applying the attributes to your life and sharing your journey with a spiritual coach **Discipleship Bible** John A. Stewart, This topical Bible Study addresses the doctrine of New Testament discipleship as Jesus said Go and make disciples This study is ideal for personal small group and congregational use Gospel Discipleship Congregation Guide Michelle J. Morris,2020-03-31 Each congregation has a unique mission field Several tools for developing disciples and for engaging in discipleship are available to churches however the resources assume that the churches using them are similar to the church that created them With Gospel Discipleship individuals and churches learn how to engage in self reflection which then defines a path that fits their context The discipleship path for each individual disciple is assessed and determined through the Gospel Discipleship Participant Guide while this Gospel Discipleship Congregation Guide guides the implementation of the program and assesses the discipleship path for the congregation as a whole Therefore the program leader s needs the congregation guide while individual participants need their own participant guide With Gospel Discipleship churches can identify a pathway for discipleship applied from one of the four Gospel storytellers Matthew Mark Luke and John Each had a distinct approach to discipleship which can be applied to a given church s identity vision and mission As disciples are encouraged by the church to step beyond the door and engage the needs of people they can be sent forth confidently with an awareness of personal unique gifts and insights into the actual mission field where they participate with God in changing the world

Gospel Discipleship Participant Guide Michelle J. Morris,2020-03-31 There was a time when discipleship was taken for granted It was assumed that people could be persuaded to believe and that each person would step into the path that took them to Jesus That assumption is no longer valid As early as the Gospels Jesus and his biographers recognize that each person brings experience to the journey which travels through different times and places The discipleship path for each individual disciple is assessed and determined through this Gospel Discipleship Participant Guide while the Gospel Discipleship Congregation Guide serves as the implementation guide for church leaders It also assesses the discipleship path for the congregation as a whole By understanding what type of disciple you are participants in Gospel Discipleship can clarify the path they need to walk Some people love to go on mission trips some people really thrive learning from a great teacher some people connect to God through painting and music and some people just want to have a cup of coffee and talk about life and eventually get around to talking about Jesus Participants in Gospel Discipleship can be set free from the guilt of not feeling like a real disciple because they don t feel called to experience the journey the same way as everyone else Instead participants can become the disciple Jesus wants them to be They can spend their valuable time and energy living and walking on the path where Jesus is calling them to follow Marcus of a Disciple Robby Gallaty,2016-07-26 How can I know if my disciple making efforts are effective How can I know if people growing spiritually Have you ever asked these questions If

so you are not alone Many disciple makers regularly struggle with these issues While attendance and baptisms are easily counted measuring the spiritual maturity of our people is not quite so simple To make matters worse an unfortunate reality of our day is that pastors are graded on how big their churches are and not how mature their people have become Sadly the American church has adopted business metrics to grow churches rather than biblical methods for growing disciples In MARCS of a Disciple Pastor Robby Gallaty provides a biblical guide for gauging spiritual growth Mature disciples are Missional Accountable Reproducible Communal and Scriptural Use this book as a measuring stick to determine the health and effectiveness of disciple making in your church and personal life Jesus didn't leave the maturity of his disciples to chance neither should we
