Keshen,2007-10-01 It was the Good War Its cause was just it ended the depression and Canada s contribution was nothing less than stellar Canadians had every reason to applaud themselves and the heroes that made the nation proud But the dark truth was that not all Canadians were saints or soldiers Indeed many were sinners In this eye opening and captivating reassessment of Canadian commitment to the cause some disturbing questions come to light Were citizens working as hard as possible to back the war effort Was there illegal profiting from the conflict Did Canadian society suffer from a general decline of morality during the war Would women truly back the attack in new factory jobs and the military and then quietly return home Would unattended youth produce a crisis with juvenile delinquency How would Canada reintegrate a million veterans who policy makers feared would create a social crisis if treated like their Great War counterparts The first ever synthesis of both the patriotic and the problematic in wartime Canada Saints Sinners and Soldiers shows how moral and social changes and the fears they generated precipitated numerous and often contradictory legacies in law and society From labour conflicts to the black market to prostitution and beyond Keshen acknowledges the underbelly of Canada s Second World War and demonstrates that the Good War was a complex tapestry of social forces not all of which were above reproach Canada Sam's Travel Guide,2018-09-24 This Book is FREE for Kindle Unlimited Users Canada Essential travel tips All you NEED to know Canada is by a long shot one of our most loved North American countries We have visited in various circumstances and are continually adapting new tips to recall for our next trip Here are a few of our best travel tips for Canada Nevertheless there are a couple of things need to know before you arrive in their country In this Sam s Travel Guide on Canada you will find all the information you NEED to know about Essential travel tips for Canada Things you MUST know about Canada Best places you NEED to visit in Canada
