*The Colonel's Daughter* Debby Giusti, 2012-08-07 Inspirational romantic suspense Spine *Seducing the Colonel's Daughter* Jennifer Morey, 2012-07-24 Raeleen Randall dumps her boyfriend after discovering he's married Then she's kidnapped and taken to a remote lighthouse on the island of Anguilla With a hurricane fast approaching Raeleen needs a miracle to save her And that miracle shows up in the strapping form of Travis Todd the irresistibly handsome stranger who rescues her When operative Travis Todd first sees Raeleen he wants her But getting involved with a powerful colonel's daughter is bad news With someone out to harm her he can't walk away In this tropical paradise with its sultry nights it's nearly impossible to ignore his desire *The Colonel's Daughter, Or Winning His Spurs* Charles King, 1892 **The Colonel's Daughter. A Romance** William Stephens Hayward, 2025-07-08 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Colonel's Daughter: Winning His Spurs* Captain Charles King, Sergeant Major Sir r r and the rasp and rattle of a hastily moved chair preceded but an instant the appearance of a soldierly form in the doorway That Prescott mail's late again to day Yes sir been late every time last three trips The sergeant major clips his words as close as his cropped hair and uses no superfluities Having said so much he waits mutely standing attention for his superior's next remark The latter is dreamily contemplating a pair of rather shapely feet perched on the desk in front of him and tapping the boot toes thereof with a long ruler Finally he queries Think that man Finnegan's been drinking again Looks like it sir but can't say Horse shows hard riding every night when he gets in but you can see him for six miles up the valley and he comes at an easy lope all the way from the Point The adjutant slowly lets down his long legs quits his chair takes from its case a signal service binocular and saunters to the open doorway leading to the parade His subordinate remains a moment in his invariable attitude at the door of the inner office then finding himself addressed no further steps back quickly as he came Leaning against the post of the narrow piazza in front the adjutant blinked his eyes in unwilling deference to the blazing sunlight and gazed out towards the north Before him straight away lay a level barren of gravelly earth brown and desolate no sprig of grass no sign of shrub or tree the parade of Camp Sandy in the year of our Lord 187 was as bald as the head of the commanding officer Midway between the office and the glistening white line of picket fence that spanned the northern limit of the garrison a lance like staff shot upward into the burning vault of heaven and from its summit hung motionless the heavy folds of blue and scarlet and white the symbol of Yankee supremacy in the midst of surrounding desolation It hung aloft as though paralyzed with wonderment at its unlovely companionship It hung in the heat like some bright dead bird And the air was so still you could hear the tramp Of the pacing sentry all over the camp Bounding this arid surface on right and left were two long lines of adobe buildings Those on the eastern side with their broad piazzas and mansard roofs indicating in greater pretence the homes of the officers of the

command those on the left low one storied and colorless as the dun hue of the parade itself the quarters of the men Beyond the former a thousand yards away rose a turreted palisade of conglomerate shale and yielding sandy earth that shut out wall like all view to the east At its foot rolled the shallow stream from which the post derived its sole supply of water It never seemed to rain at Camp Sandy though torrents might be descending in the mountains that shut it in To the west beyond the line of barracks lay in the same colorless clods of adobe the cavalry stables the quartermaster s corrals and beyond them tumbled heaps of foot hill rolling higher and higher until in the near distance they rose a thousand feet above the plateau and joined the long ridge of mountain chain that stretched down claw like from the grand range of the California Sierra Northward the eye roamed over a valley hemmed in towards the setting sun by dark pine covered mountains while on the other side vivid dazzling scintillating in the blazing rays lay the barren yet brilliant cliffs of the Red Rock country The winding fringe of cottonwood in the valley depths a lively green contrasted with the sombre hue of all nature near it marked the course of the stream and far far to the north plumb under the spot where the pole star glowed at night a snow capped peak glistened and shimmered through the heated air the one gleam of blessed coolness vouchsafed in the entire picture Still holding his binocular in his listless hand the adjutant lounged in the shade of the porch and gazed drearily over the scene before him Save the occasional lizard darting about the sun baked parade no sign of life or motion greeted the eye Along officers row every blind was tightly closed against the blazing west One or two sleeping forms could be detected along the shade line of the opposite quarters but even at the guard house the sentry had been drawn inside and was pacing the narrow corridor in front of the barred windows through which swarthy hungry eyed Apache faces were doubtless glaring out in miserable hatred of their captors It was a cheerless scene and in face and form expression and attitude there could be detected on the part of the one visibly wakeful being a thorough appreciation of its dreariness Tall six feet two in his stockings lithe and thin in flank but with massive shoulders and powerful limbs the adjutant s form would have enraptured the life guardsmen of England Clad in the coolest of white duck and flannel every line of his frame was patent to the observer and the head and face were fitting accompaniment Eyes of darkest hazel a straight slender broad nostriled nose a mouth firm and clear cut under the curling moustache chin and jaw square resolute and clean shaven forehead broad and white in odd contrast to the bronze that spread over face and neck hair that might have been dark and wavy in boyish days but now close cropped to the shapely head the adjutant was well termed among his comrades a splendid looking fellow Yet at this moment the whole face was marred by its expression of utter weariness and discontent
