

# The Psychological/ Psychoanalytic Approach

Psychological Criticism views a text as a revelation of its author's mind and personality. It is based on the work of Sigmund Freud.

- Also focuses on the hidden motivations of literary characters
- Looks at literary characters as a reflection of the writer

# An Approach To Criticism

**Mrs. Oliphant (Margaret)**

## **An Approach To Criticism:**

*Artistic Creation and Ethical Criticism* Ted Nannicelli, 2020 *Artistic Creation and Ethical Criticism* investigates an idea that underpins the ethical criticism of art but is rarely acknowledged and poorly understood namely that the ethical criticism of art involves judgments not only of the attitudes a work endorses or solicits but of what artists do to create the work The book pioneers an innovative production oriented approach to the study of the ethical criticism of art one that will provide a refined philosophical account of this important topic as well as conceptual tools that can guide future philosophizing and criticism *A Psychological Approach to Literary Criticism* Norman Raymond Frederick Maier, Harry Willard Reninger, 1933

*The Mature Church* Emmanuel D. Mbennah, 2013-08-09 In this book Emmanuel Mbennah argues that Christian spiritual maturity is the bridge between the new identity of the Christian articulated in Ephesians 1:3 and the moral code of the Christian life commensurate with the new identity presented in Ephesians 4:17-6:20 From an interpretation of Ephesians 4:13 Mbennah brings to the fore what Christian spiritual maturity is and why it is imperative He argues that Ephesians 4:1-16 is about spiritual maturity and not about Christian unity except unity as a by product of maturity A case study in which the meaning of spiritual maturity is used as a critical standard to evaluate the spiritual maturity of a church in a particular context further clarifies the meaning of spiritual maturity and demonstrates what a sad state of immaturity a church could be in Mbennah calls for the Church's return to the pursuit of maturity and a return to the subject in New Testament scholarship

***A History of Criticism and Literary Taste in Europe from the Earliest Texts to the Present Day: Classical and mediæval criticism*** George Saintsbury, 1900 ***Literary Theory and Criticism*** Patricia Waugh, 2006 This volume offers a comprehensive account of modern literary criticism presenting the field as part of an ongoing historical and intellectual tradition Featuring thirty nine specially commissioned chapters from an international team of esteemed contributors it fills a large gap in the market by combining the accessibility of single authored selections with a wide range of critical perspectives The volume is divided into four parts Part One covers the key philosophical and aesthetic origins of literary theory while Part Two discusses the foundational movements and thinkers in the first half of the twentieth century Part Three offers introductory overviews of the most important movements and thinkers in modern literary theory and Part Four looks at emergent trends and future directions *Pluralistic Approaches to Art Criticism* Douglas Emerson Blandy, Kristin G. Congdon, 1991 Contributors to this anthology analyze the contemporary academic methods for critiquing art and suggest new ways that might further our understandings of art created by myriad individuals and groups The essays give readers further insight into a diverse range of artistic creators often overlooked in art world studies *A History of Criticism and Literary Taste in Europe from the Earliest Texts to the Present Day: Classical and mediæval criticism* George Saintsbury, 1908 ***A History of Criticism and Literary Taste in Europe from the Earliest Texts to the Present Day: Classical and medieval criticism. v. 2. From the renaissance to the decline of eighteenth century orthodoxy. v. 3. Modern***

**criticism. Appendix I. The Oxford chair of poetry. Appendix II. American criticism** George Saintsbury,1900

Moulton,1910 **Poetic and Verse Criticism of the Reign of Elizabeth** Felix Emmanuel Schelling,1891 Five  
Approaches of Literary Criticism Wilbur Stewart Scott,1974 *Towards Justice* Marek Hrubec,2025-03-06 Based on a  
critique of liberal and libertarian contradictions with their conflictual consequences and on analyses of critical social theories  
and perspectives from the Global South Latin America Africa and Asia as well as the Global North this book seeks to address  
tensions of global social misrecognition and injustice It deals with the dispute over particular and universal norms on local  
regional and global levels extra territorial social recognition of the global poor strategic socialism threats of global hegemony  
authoritarianism and war in light of various conflicts **Decision Science and Social Risk Management** M.W  
Merkhofer,2012-12-06 Economists decision analysts management scientists and others have long argued that government  
should take a more scientific approach to decision making Pointing to various theories for prescribing and rationalizing  
choices they have maintained that social goals could be achieved more effectively and at lower costs if government decisions  
were routinely subjected to analysis Now government policy makers are putting decision science to the test Recent  
government actions encourage and in some cases require government decisions to be evaluated using formally defined  
principles 01 rationality Will decision science pass this test The answer depends on whether analysts can quickly and  
successfully translate their theories into practical approaches and whether these approaches promote the solution of the  
complex highly uncertain and politically sensitive problems that are of greatest concern to government decision makers The  
future of decision science perhaps even the nation's well being depends on the outcome A major difficulty for the analysts  
who are being called upon by government to apply decision aiding approaches is that decision science has not yet evolved a  
universally accepted methodology for analyzing social decisions involving risk Numerous approaches have been proposed  
including variations of cost benefit analysis decision analysis and applied social welfare theory Each of these however has its  
limitations and deficiencies and none has a proven track record for application to government decisions involving risk Cost  
benefit approaches have been extensively applied by the government but most applications have been for decisions that  
were largely risk free **A Course of Developed Criticism on Passages of the New Testament Materially Affected by**
