Catalog #384 Ivy Press,2005-08 **The Betrayal** Kim Christian Priemel,2018-05-17 At the end of World War II the Allies faced a threefold challenge how to punish perpetrators of appalling crimes for which the categories of genocide and crimes against humanity had to be coined how to explain that these had been committed by Germany of all nations and how to reform Germans The Allied answer to this conundrum was the application of historical reasoning to legal procedure In the thirteen Nuremberg trials held between 1945 and 1949 and in corresponding cases elsewhere a concerted effort was made to punish key perpetrators while at the same time providing a complex analysis of the Nazi state and German history Building on a long debate about Germany s divergence from a presumed Western path of development Allied prosecutors sketched a historical trajectory which had led Germany to betray the Western model Historical reasoning both accounted for the moral breakdown of a civilised nation and rendered plausible arguments that this had indeed been a collective failure rather than one of a small criminal clique The prosecutors therefore carefully laid out how institutions such as private enterprise academic science the military or bureaucracy which looked ostensibly similar to their opposite numbers in the Allied nations had been corrupted in Germany even before Hitler s rise to power While the argument depending on individual protagonists subject matters and contexts met with uneven success in court it offered a final twist which was of obvious appeal in the Cold War to come if Germany had lost its way it could still be brought back into the Western fold The first comprehensive study of the Nuremberg trials *The Betrayal* thus also explores how history underpins transitional trials as we encounter them in today s courtrooms from Arusha to The Hague Concrete Products ... ,1920 *The Pennsylvania Magazine of History and Biography* ,1890 **Philadelphians and the China Trade, 1784-1844** Jean Gordon Lee,Philadelphia Museum of Art,1984 Automobile Trade Journal ,1916 *Crucible of American Democracy* Andrew Shankman,2004 Arguments over what democracy actually meant in practice and how it should be implemented raged throughout the early American republic This exploration of the Pennsylvania experience reveals how democracy arose in America and how it came to accommodate capitalism **Bulletin of the New York Public Library** ,1907 Includes its Report 1896 1945 **The American Philatelist** ,1887 **The American Stationer** ,1902 Baltimore City Directory ,1913 *The Mayor's Message with Accompanying Documents ...* Saint Louis (Mo.),1907 Includes reports of the heads of the various municipal departments **Young Oologist** ,1905 **The Christian Advocate** ,1915 **Guide & Index to the Scholarly Resources Edition of the Letters and Papers of Richard Rush** Anthony M. Brescia,1980 The Oölogist ,1907 Sale California Book

Auction Co,1941 **Apollo** ,1957 The magazine of the arts for connoisseurs and collectors
