Braided Path:

The Braided Path Chris Wooding, 2012-04-05 An omnibus volume of the acclaimed oriental fantasy from one of the genre's most exciting young talents The empire of Saramyr has relied on the secretive sect of Weavers for far too long Now the Weavers manipulating space and time through the Weave of existence are plotting the overthrow of the families Their motives twisted by the Witchstones they draw their power from As the empire crumbles the disowned abbeasant daughter of the empire and a few scattered rebels must find out the secret of the true nature of the witchstones and rescue the empire from depravity and the rule of demons Chris Wooding has an unrivalled flair for Machiavellian plotting explosive description and memorable young characters This is the ideal first adult fantasy for his teenage fans The Braided Path Chris Wooding, 2006

The Ascendancy Veil Chris Wooding, 2010-08-26 The final part of the critically acclaimed Braided Path trilogy The war that is tearing apart the ancient Empire of Saramyr is reaching its apocalyptic conclusion The Weavers have stepped from the shadows and taken control the capital is a demon haunted nightmare the land ridden by pestilence New terrifying demons immune to all but magic have been unleashed on the cities and armies of the resistance movement And the Aberrant hordes are seemingly without end As the madness of the weavers takes hold their tactics become even more crazed and bloody and thousands are dying on both sides Someone must stop the weavers someone must discover the secrets of what lies at the bottom of the massive pits they have dug across Saramyr This is the final volume of what has proved to be one of the most original exotic and exciting epic fantasies of the 21st century Chris Wooding melds an extraordinary imagination with deft characterisation and a flair for gripping plots The Weavers Of Saramyr Chris Wooding, 2010-08-26 A richly textured darkly evocative fantasy set in a beautifully realised fantasy world the Saramyr trilogy tells the story of an empire that rules over a land being overwhelmed by evil An evil that comes from within the empire's centre a sect of magicians close to the throne intent on killing any child born with magical powers But now the empress has given birth to just such a child and revolution is brewing Akin to the works of Robin Hobb this is a hugely involving fantasy set in a world with an enticing oriental flavour

The Skein Of Lament Chris Wooding, 2010-08-26 The second book in the acclaimed new fantasy trilogy The grip of the Weavers on Saramyr's rulers has grown ever tighter And all the while the blight that they have brought to the land grips ever more harshly This cannot last and sure enough the land is slipping into civil war In the growing chaos Kaiku and the orphaned heir Empress must fight for their destiny and their survival as Saramyr succumbs to the twisting of the Weave and the unknowable ambitions of the secretive Weavers Chris Wooding has created a vivid and turbulent world with an authentic oriental air and its own rich and ancient history Across this world plays an action packed plot of politics violence and betrayal This is an extraordinary fantasy for the 21st century
