

# WHAT IS SUCCESS?

**Success** is achieving the goals we have set for ourselves and feeling satisfied with the accomplishments attained.

It's not just about gaining recognition or material wealth but about finding happiness and personal fulfillment in what we do.

**Each person defines success differently**, as it may be related to professional goals, personal relationships, emotional well-being, or contribution to society.

**Success** involves effort, perseverance, and overcoming obstacles, but it also entails enjoying the process and finding meaning and satisfaction in our journey toward achieving our dreams and aspirations.
