## **Do Not Surrender:**

Acceptance is not Surrender William S. Sutherland,2016-07-22 This is a story about accepting loss rather than getting beaten by it It s about redefining oneself after a crippling disease by living the ups and downs of self discovery Far from giving up acceptance is living a life of disciplined thought and action searching for newfound strengths to replace those that have been lost It s about the strength of the human spirit It s about perseverance not only for the survivor but also for those closest to him It s about relationships and what loss does to test their strength and elasticity It s finding a way to move forward individually and collectively despite the obstacles Whether it s changing roles within the family completing the paperwork for the body s most basic function confronting suicide or walking with no hands each of these activities and more all came with their specific challenges and rewards The hard to find answers to the questions that started this journey are unique to the writer They are presented not as a manifesto to follow but as a starting point for you that you may find something here that can help you find your answers unique to you *The New York Supplement* ,1909 Cases argued and determined in the Court of Appeals Supreme and lower courts of record of New York State with key number annotations varies *Cobbett's Complete Collection of State Trials and Proceedings for High Treason and Other Crimes and Misdemeanors from the Earliest Period to the Present Time* ,1820 *A Complete Collection of State Trials and Proceedings for High Treason and Other Crimes and Misdemeanors* ,1820 *The speaking French grammar.
