A Dramatic Ministry for Small Churches Holly Langster, 2018-09-28 It can be challenging for small churches to have a positive presence in their communities especially when pursuing creative ways to spread the gospel And it can be difficult for small groups with even smaller budgets to stand out so what can a small church do to attract and inspire young believers In **A Dramatic Ministry for Small Churches** author Holly Langster shares a collection of inspiring and entertaining dramatic plays that are perfect for a small church that needs something to engage and encourage its attendees especially kids Noticing that there was nothing out there for her small church Holly brought drama into the church life and used it to build a community ministry She offers several scripts and helpful tips for anyone starting a drama program in their own church It doesn't take a big church to perform a big play and **A Dramatic Ministry for Small Churches** can help small churches discover a new and dramatic way to excite young believers about the gospel message And as more and more people get involved these small churches will grow and grow inspiring the next generation and bringing more people to Christ **Focus on Prayer** Joe Vigliano, 2008-07-19 Prayer is the key to a closer relationship with God You can learn how to pray to experience direct meaningful communication with your Heavenly Father **Finding My Way Home** Sara Bennett Brodzinski, 2022-08-30 **Finding My Way Home** shares personal testimonies of hardship and triumph that will remind you that you are not alone In a world that can leave you feeling hopeless you will discover the answer to the void that lives inside each of us The empty space that can only be filled with one thing Jesus Come on this journey with others and experience the joy this author found while learning to praise in the storms of life Hear about a relentless God who longs to call you His A God who wants to join you as you find your way home **Team Us** Ashleigh Slater, 2014-05-20 What are you agreeing to when you say I do When a couple promises I do they agree to more than just a shared last name a joint bank account and no more dateless nights This husband and wife duo forms a new team Life together becomes their mantra Nothing can come between them At least that's the plan But then real life sets in bringing with it disappointments and frustrations If the couple isn't intentional in their day to day interactions that once enthusiastic we can slowly revert to you and me Before long the couple's left wondering what happened to their team spirit **Team Us** offers couples practical ways to cultivate and strengthen unity in their marriages Author Ashleigh Slater shares from her own marriage as she presents couples with realistic ideas on how to foster cooperation deepen commitment and exercise grace on a daily basis **The Better Chaplain Devotional** Canyon Shearer DMin, 2026-01-29 The military is no place for shallow faith Yet too often our chaplains are sent into the fray under trained and over stretched While the military harvest is difficult and treacherous it is eternally rewarding for those prepared to reap it **The Better Chaplain Devotional** equips our future forces with better chaplains anchored to the foundation of God's Word and the legacy of great chaplains of history both inside and outside of the Bible so that they are able to imitate those who have won great victories If a student cannot rise above his teacher then we must set high standards of faith practice and

mentorship Through forty five core principles and a deep dive into impossible ethical dilemmas this book encourages current and future chaplains to rise to their calling Specifically designed for the front lines these lessons also apply to every pastor missionary or believer intent on winning spiritual battles Truly the military harvest is plentiful but the laborers are few and the stakes are eternal

Good Grief Thomas Michael Johnson, 2020-07-29 At age twelve author Thomas Michael Johnson faced the death of a great grandparent he was close to as a child That trauma left him with an irrational fear of losing loved ones By the time he married and became a father the fear of death living within him was incapacitating and debilitating often causing difficulties in his personal and professional life Seeking freedom from this terror Johnson began to understand the difference between joy and happiness he was delivered from the fear some six weeks before his wife s untimely demise After nearly nineteen years of marriage he woke to find his beloved wife had passed away while he slept He suddenly became a single parent of three sons ages seventeen thirteen and twelve struggling through the typical single parent issues with an added layer of grief Johnson s middle son s autism added to the challenges In *Good Grief* Johnson shares an account of the trepidation he lived through as a young man his freedom from the fear of death before his wife died and the two years following her death This memoir focuses on the lessons he learned from God directly from scripture and from the tight knit group of family and friends God had given him Raw and authentic Johnson chronicles a story of his experience as a grieving widower a single father and a broken child of God who had no choice but to ask for help from those surrounding him while trying to restore joy in his home
