time tested clear and eloquent teachings will pave the way for you to experience true faith and answers to prayer **The Mind and Philosophy of Man in His Search for the Divine** I. G. Soorma, 2017-08-11 What does it mean to be human Does this search for identity take us only inward into investigations about the nature of our minds and our ways of thinking or does it tend to draw any willing seeker beyond himself perhaps to spirituality to religion or to deep reflections on the divine In *The Mind and Philosophy of Man in His Search for the Divine* author I G Soorma explores religious themes and traditions from around the world as he dwells on the identity journey and ultimate destination of humankind As a cross cultural approach to philosophy and religion it encourages us to think critically and introspectively as we engage in like discussions with others *The Mind and Philosophy of Man in His Search for the Divine* is a highly original survey of great ideas from the classics and it places mystical and Islamic and Sufist works as equals alongside the traditional European and East Asian canon Soorma references and comments on the great masterpieces of philosophy religion nature art and psychology the Bible and the Quran Rumi and Shakespeare Goethe and Hafez and Confucius and Plato as he asks us to embrace the challenging ideas and notions that are shared across these supposedly disparate works Placing these great works in a dialogue with each other creates a lively discussion which will stimulate the seeker of knowledge to come to his or her own understanding of life the universe and human destiny Such an invigorating elixir is particularly welcome in a technological age in which intense prolonged reading has become a less crucial element in the formation of one's understanding of the world and in which specialization has supplanted broad general education and thoughtful reflection *Weaver's Wisdom*, Satguru Sivaya Subramuniyaswami a living legend yoga master and author of *Merging with Siva* recognized the immense value of the Tirukural in 1949 as a young seeker in Sri Lanka Decades later he instructed two of his swamis to translate it from classical Tamil into American English and had an renowned artist in South India illustrate the 108 chapters Here is the fruit of those efforts the gentle profound world of Asian ethics and simple humanness Yet *Weaver's Wisdom's* universality makes it a book you can share with anyone It contains fortune cookies you can snack on before sleep or at anytime Its charming wit and common sense will uplift and inspire you and your whole family [Definite Decrees for Your Destiny](#) Alexandria V. Wallace, 2017-09-11 Look at everything in your life right now I want you to really reflect on your life Has your life been sad and disappointing or happy and satisfying Have you experienced a lot of wanting rather than having Well I have a question have you spoke the things you've wanted to see happen in your life out loud Have you even asked decreed or written down your aspirations goals dreams or wants for your life I'm not God but I'm thinking you probably haven't or you probably haven't lately We have the tendency to forget or realize that our prayers and request to God are what has actually brought a lot of things we've asked for in life So let's not forget there is power in asking praying and speaking things into the atmosphere purposefully I am a firm believer of God's word and his ability to answer prayers I also have tested tried and experienced the power of Using my word Power What is this you might ask well there is given power to the human race to speak things into reality and motion This is not something

people really consider doing often people use their words for a lot of things but what about using your words to see things change in your life for the good because of what you've spoken Do you believe this can be Your meaningful purposed filled words I believe can alter certain situations and circumstances by speaking what you desire to be instead of accepting what has been Let me take the time to say it doesn't matter what your life has been before opening this book When you began to decree and speak with power just as God spoke Let there be and there was so we too shall speak and there shall be
