

"A breathtaking literary experience ... A classic of psychology and culture."
—*Washington Times*

destructive generation

second thoughts about the sixties

Peter Collier
David Horowitz

Destructive Generation

North Carolina. Dept. of Agriculture

Destructive Generation:

Destructive Generation Peter Collier, David Horowitz, 1989 Destructive Generation is the untold story of the 1960s the tragic consequences of everything goes hedonism and the destructiveness of revolutionary passion that typified the attitude of many young radicals Destructive Generation which critics have compared to *The God That Failed* and to Whittaker Chambers *Witness* is a modern conservative classic imperative reading for anyone who wants to understand the New Left and its sad legacy for America *Destructive Generation* Peter Collier, David Horowitz, 2006 As leading New Leftists in the Sixties Peter Collier and David Horowitz were intimately involved in the radicalism of the day Later on they became the first of their generation to publicly reject the objectives of that revolutionary era and point out the cultural chaos it had left behind Part memoir part political analysis part social history DESTRUCTIVE GENERATION is the compelling story of their intellectual journey into and out of the radical trenches Telling stories of the New Left s most famous and infamous personalities and events Collier and Horowitz reveal the destructive legacy of the Sixties and the way in which that decade continues to cast a long shadow over politics and culture today When it was first published more than a decade ago DESTRUCTIVE GENERATION was a controversial bestseller that some critics compared to Whittaker Chambers powerful political testament WITNESS This new edition contains new material which makes this classic work more relevant than ever in our own divided time **Radical Son** David Horowitz, 2011-12-13 Originally a radical socialist the current driving force behind the rise of the Hollywood right recounts how he moved from one set of political convictions to another over the course of thirty years and challenges readers to consider how they came by their own convictions *The Politically Incorrect Guide to the Sixties* Jonathan Leaf, 2009-08-11 Argues that the nineteen sixties were not the years of sexual social and political revolution as they have been widely depicted but were far more conservative as the majority of America remained a mainstream culture [The Black Book of the American Left](#) David Horowitz, 2016-04-05 David Horowitz spent the first part of his life in the world of the Communist progressive left a politics he inherited from his mother and father and later in the New Left as one of its founders When the wreckage he and his comrades had created became clear to him in the mid 1970s he left Three decades of second thoughts then made him this movement s principal intellectual antagonist For better or worse as Horowitz writes in the preface I have been condemned to spend the rest of my days attempting to understand how the left pursues the agendas from which I have separated myself and why When Horowitz began his odyssey the left had already escaped the political ghetto to which his parents generation and his own had been confined Today it has become the dominant force in America s academic and media cultures electing a president and achieving a position from which it can shape America s future How it achieved its present success and what that success portends are the overarching subjects of Horowitz s conservative writings Through the unflinching focus of one singularly engaged witness the identity of a destructive movement that constantly morphs itself in order to conceal its identity and mission becomes disturbingly clear

Horowitz reflects on the years he spent at war with his own country collaborating with and confronting radical figures like Huey Newton Tom Hayden and Billy Ayers as he made his transition from what the writer Paul Berman described as the American left's most important theorist to its most determined enemy

When Music Mattered James Wierzbicki, 2022-04-27 This book examines the American Sixties and how that period's socio-political essence was reflected and refracted in certain forms of the period's music Its five main chapters bear the names of familiar musical categories Folk Rock Jazz Avant Garde Classical But the book's real subject matter treated at length in the Prologue and the Epilogue but spread throughout all that comes between is the Sixties tangled mess of hopes and frustrations of hungers as much for self-identity as for self-indulgence of crises of conscience that bothered Americans of almost all ages and regardless of political persuasion

The Other Worldview Peter Jones, 2015-06-24 A must-read for every concerned American and especially for every Christian who weeps at the graveside of his culture R C Sproul A cataclysmic change has occurred as our culture has shifted toward belief in Oneism Every religion and philosophy fits into one of two basic worldviews Oneism asserts that everything is essentially one while Twoism affirms an irreducible distinction between creation and Creator The Other Worldview exposes the pagan roots of Oneism traces its spread throughout Western culture and demonstrates its inability to save For bodily holiness and transformed thinking we depend entirely on one amazing thing the incredibly powerful message of the Gospel to a sinful world which is the ultimate expression and goal of Twoism The only hope is in Christ alone

Triumph Regained Mark Moyar, 2023-01-10 Triumph Regained The Vietnam War 1965-1968 is the long-awaited sequel to the immensely influential Triumph Forsaken The Vietnam War 1954-1965 Like its predecessor this book overturns the conventional wisdom using a treasure trove of new sources many of them from the North Vietnamese side Rejecting the standard depiction of U S military intervention as a hopeless folly it shows America's war to have been a strategic necessity that could have ended victoriously had President Lyndon Johnson heeded the advice of his generals In light of Johnson's refusal to use American ground forces beyond South Vietnam General William Westmoreland employed the best military strategy available Once the White House loosened the restraints on Operation Rolling Thunder American bombing inflicted far greater damage on the North Vietnamese supply system than has been previously understood and it nearly compelled North Vietnam to capitulate The book demonstrates that American military operations enabled the South Vietnamese government to recover from the massive instability that followed the assassination of President Ngo Dinh Diem American culture sustained public support for the war through the end of 1968 giving South Vietnam realistic hopes for long-term survival America's defense of South Vietnam averted the imminent fall of key Asian nations to Communism and sowed strife inside the Communist camp to the long-term detriment of America's great power rivals China and the Soviet Union

The Normal and Pathological Histology of the Ventriculus of the Honey Bee, with Special Reference to Infection with Nosema Apis Dixon Lloyd Bailey, Henry D. Barker, Jean MacInnes, Jonas Jergon Christensen, Julian Gilbert Leach, Louise

Dosdall, Marshall Hertig, Paul Francis Sharp, William Carmichael Cook, Raymond Fogelman, Ross Aiken Gortner, 1922

Lepidoptera: life histories and economic relations, 1912 **Farmers' Cyclopedia: Plant diseases, prevention and cure. Insects and insecticides. Fungi and fungicides**, 1914 **The American Entomologist**, 1880 Technical Bulletin - Agricultural Experiment Station, University of Minnesota, 1922 **Technical Bulletin**, 1921 **Generation at Risk** Fran Sciacca, 1991 Over the past four decades society has slipped into a mold of complacency and self indulgence With an If it feels good do it attitude we have become worshipers of self while our culture has gone morally bankrupt Is there any way to change Sciacca offers suggestions as to what the church is doing or should be doing to promote Christian thinking in our kids our families and our society Back cover The Bulletin of the North Carolina Department of Agriculture, 1925

Report North Carolina. Department of Agriculture, 1918 *The World & I*, 1991 **Extension Circulars** North Carolina. Agricultural Extension Service, 1918 **Biennial Report** North Carolina. Department of Agriculture, 1914
