students extensive practice developing basic reading skills at a new value price Designed for the most basic developmental

reading course Grades 6 Steps to College Reading emphasizes the idea of reading as a three step process through a prepare

read respond strategy More assistance is provided to students with the pre reading step than in other texts Pre reading

questions precede each selection Reading passages cover a broad range of topics that will interest students and be relevant

to their college work Chapters contain numerous short pieces for illustration and practice and move to longer pieces for more

sustained reading However because the book is designed for the more basic course the readings are always of a manageable

length for students Steps to College Reading differs from its more advanced companion text *The Reading Context* by

providing shorter and simpler explanations of key concepts by using more visuals to accommodate alternate learning styles

by providing more vocabulary work by covering reading rates and by using simpler readings This text offers more help with

reading textbook material and provides full chapters on understanding the difference between specific and general

statements understanding implied ideas reading graphics and responding to expressive and persuasive writing **The**
