Christian Science Mark Twain, 1907 **Christian Science** is a 1907 book by the American writer Mark Twain 1835 1910 The book is a collection of essays Twain wrote about Christian Science beginning with an article that was published in *Cosmopolitan* in 1899 Although Twain was interested in mental healing and the ideas behind Christian Science he was hostile towards its founder Mary Baker Eddy 1821 1910 Book I of this volume occupies a quarter or a third of the volume and consists of matter written about four years ago but not hitherto published in book form It contained errors of judgment and of fact I have now corrected these to the best of my ability and later knowledge Book II was written at the beginning of 1903 and has not until now appeared in any form In it my purpose has been to present a character portrait of Mrs Eddy drawn from her own acts and words solely not from hearsay and rumor and to explain the nature and scope of her Monarchy as revealed in the Laws by which she governs it and which she wrote herself Book I of this volume occupies a quarter or a third of the volume and consists of matter written about four years ago but not hitherto published in book form It contained errors of judgment and of fact I have now corrected these to the best of my ability and later knowledge Book II was written at the beginning of 1903 and has not until now appeared in any form In it my purpose has been to present a character portrait of Mrs Eddy drawn from her own acts and words solely not from hearsay and rumor and to explain the nature and scope of her Monarchy as revealed in the Laws by which she governs it and which she wrote herself **Christian Science** Samuel Langhorne Clemens, 1907 **Christian Science With Notes Containing Corrections to Date** Twain Mark, 1901
