# A Guide To Parables

**Basil William Maturin**

## **A Guide To Parables:**

A Guide to the Parables John Hargreaves, 1975      **All the Parables of Jesus** David M. Brown, 2012-07-31 Like yeast parables are explosive stories of Jesus that invade our lives and transform us into citizens of the kingdom of God But they are also cryptic and that's where this book is useful More than an explanation or interpretation of each parable this definitive work is primarily an exercise in hermeneutics In it readers are taken through a process of discovering which sayings of Jesus are parables problematic questions related to counting and categorizing them and Jesus rationale for speaking in parables The work then analyzes four distinct ways that parables are structured and three levels at which they do their work in us The final chapter presents parable related hermeneutical guidelines and the book ends with seven extensive Appendices and two Indexes It is a must read for every biblical scholar      **The Parables of Jesus** R. T. Kendall, 2011-10 The Prodigal Son The Mustard Seed The Sheep and the Goats Through these and dozens more parables Jesus helped His followers then and now to grasp spiritual truths about the Kingdom of God and how Kingdom people should live In this book Dr R T Kendall unwraps Jesus simple stories one by one and uncovers profound meaning Why did Jesus reveal so much about the Kingdom in His teaching He was building a bridge from the natural to the spiritual writes Kendall Dr Kendall shows how Jesus used parables to sow seeds in the listener's heart that could later grow and bear fruit Readers will learn how parables safeguard the secrets of God reveal His sovereignty and actually survey salvation from conversion through the work of the Holy Spirit to what happens to a believer at death As readers begin to understand the purpose promise and paradox of the parables they will get to know in a fresh way the One who told them Two thousand years ago and today the parables enliven and enlighten the hearts of all who have ears to hear      *Discovering the Parables* Henry G. Covert, 2007-12-30 Long before there were printing presses copy machines and email societies used storytelling to convey beliefs history and traditions This practice preceded the ministry of Jesus and continues today in many cultures But Jesus was a master of storytelling His words provide many with guidelines and a road map for living Using familiar imagery found in nature and other recognizable sources he engaged his listeners with lessons that confronted every aspect of their lives providing the tools for self examination and change Speaking in parables however sometimes caused confusion for his listeners and readers today may wonder what exactly he meant and how his words apply to everyday life This book looks at each of Jesus's parables explaining the key points the central themes and the meanings we can take away from the stories By considering each parable in depth the author helps readers come to a better understanding of the teachings of Jesus and what they mean for our lives      *The Parables of Jesus* R. T. Kendall, 2008-09 IN THIS KINGDOM NOT EVEN THE ROYALS ARE IMMUNE TO DANGER With a sexy FBI agent posing as her suitor Princess Laila of Qamsar is home for the wedding of her brother the Emir In truth the beautiful royal and Harris Truman are on an undercover mission to find the infamous terrorist her brother is suspected of aiding But once the festivities begin Laila faces a bigger threat than Al Adel Her secret meetings with Harris pose a danger to her safety and her

heart To gain his love and live in freedom as his equal is her ardent desire But will she betray her traditions for a man whose kisses are part of a charade

**Parables and Instructions in the Gospels** Heinrich Kahlefeld,1966 Separates the various historical layers that have grown over the original message and seeks to lay bare the core of the teaching of Jesus By a close comparison of the different narratives as presented by the Gospels the author unveils both the meaning of a given parable in a particular evangelist s account and the dominant theme of all the parables This fundamental theme is not personal moral perfection but the preparation for the consummation of Jesus work in the judgment of the Last Day In this way through the parables there is imparted a knowledge of Jesus and an impression of the depth and clarity of His knowledge of God which may not be compared with more facilely won knowledge in its ability to touch and even shake man s spirit
