Apocrypha Poems:

Apocrypha, 1896 **Apocrypha** Melinda Mueller, 1998 **Apocrypha: Poems Selected and New Volume 3** Andreas Gripp, 2015-03-24 74 poems including a large number written in the past year make up the 20th full length collection by London Ontario poet Andreas Gripp Poems dealing with the multifaceted layers of love verses encompassing nature and spirituality and our human interaction with everyday events that may not be so ordinary after all are written in the author's usual lyrical and accessible style In addition to new poems written exclusively for this volume there is a generous amount of favourites from his previous four books as well

Apocrypha David Southward, 2018-07-02 This debut collection of sonnets explores the cryptic personality of Jesus of Nazareth Reimagining pivotal moments in his life story from unlikely perspectives including those of Joseph Mary Magdalene Lazarus a Pharisee and even Satan the poems invite deeper engagement with the Gospel narrative Jesus emerges from this mosaic like treatment as a conscientious friend steely reformer and inspired poet as well as an ordinary troubled man With lyrical nuance and intensity *Apocrypha* brings to life the shadowy past of an iconic figure Its humane vision speaks equally to believers and atheists to theologians and lay readers to students of history and lovers of poetry

Apocrypha Joe Costa, 2010 [Moonlight Apocrypha](#) Kurt Newton, 2025-07-21 In *Moonlight Apocrypha* Kurt Newton guides us through a surreal and haunting landscape shaped by plague isolation and the slow unraveling of civilization These poems chronicle a world slipping into myth where memory and madness blur This collection captures the intimate absurdities and communal grief of an era defined by a virus and humanity's response to crisis offering grim beauty bitter humor and unexpected tenderness for the summer we figuratively died Delve into these verses to commiserate with your past self and glimpse the future you

The Chaucerian Apocrypha Kathleen Forni, 2005-07-01 The poems in this volume were prized and preserved because of their association with Chaucer's name and have been paradoxically almost entirely ignored by modern readers for the same reason Many of these pieces are worthy of study not only in the context of Chaucerian reception but also as specimens of the kinds of vernacular poetry that circulated in late medieval manuscripts and which remained in print largely by the accidental virtue of their association with Chaucer throughout the Renaissance and well into the nineteenth century The various genres represented in this sampler the dream vision good counsel female panegyric mass parody proverbial wisdom lover's dialogue prophecy advice to princes elegiac complaint courtly parody and anti feminist satire attest to the diversity of late medieval literary tastes and to the flexibility of the courtly idiom In the sixteenth century both Chaucer's poetry and the diverse works with which it circulated appear to have continued to have been valued for their perceived courtly qualities Chaucer's early scribal and print editors also appear to have prized his sphere of influence attested to by imitation continuation and emendation and his adaptability to contemporary social and political needs

[Kitchen Apocrypha](#) Gregory Emilio, 2022 The fact that food like sex mediates for us with death provides the guiding metaphor for Gregory Emilio's ingenious book *Kitchen Apocrypha* which might equally well be titled *Kitchen*

publication of Ghostspeaking In Apocrypha Peter Boyle retrieves the luminous classical landscape that is the birthplace of
Western civilisation and the Western psyche Setting out to find the discarded or forbidden parts of this landscape his search
brings to light a forgotten but distinctly classical undercurrent of animism of a piece in its intellectual lucidity and precision

Dardis, 2022-09-21 From reflections on mental health to unabashed love poems to modern mal du si cle Apocrypha collects
poems previously published between 2006 2014 Culled from a wide array of journals websites and exhibitions throughout
Ireland the UK and the USA this collection tracks the development of a quirky singular voice which sets the writer apart from
the standing army of Irish poets Poetry Ireland Review Dardis s poetry cut to the chase finding moods and sentiments at the

core of our existence that we don't always want to admit to yet must possess in order to survive BIO Colin Dardis is a neurodivergent writer, editor, and sound artist from Northern Ireland. His work, largely influenced by his experiences with depression and Asperger's, has been published widely throughout Ireland, the UK, and the USA. His writing has been shortlisted for the Saboteur Awards, the Erbacce Prize, the Seamus Heaney Award for New Writing, and Over The Edge New Writer of the Year Award, amongst others. He also releases ambient soundscapes, albums, and EPs under his DARDIS project.

Apocrypha Susan Slaviero, 2009 Radioapocrypha B. K. Fischer, 2018. A novella in verse, *Radioapocrypha* envisions what would have happened if Jesus Christ had arrived for the first time, not in Palestine two thousand years ago, but in a subdivision in Maryland in 1989, the year Depeche Mode released *Personal Jesus*. In this suburban retelling of the gospel, Jesus is a hunky post-punk high school chemistry teacher, and the disciples are a twelve-member garage band. The story unfolds as recorded testimony and overheard teachings, a series of alternating lyric poems, prose poems, and parables that engage the social, sexual, and racial tensions of an era. Told from the point of view of the Magdalen character named Maren, and drawing from the Gnostic text known as the Gospel of Mary, as well as other scriptural sources, these poems sample widely from popular music and 1980s culture to recast and revivify a gritty, surreal crackpot story of loners, losers, and lovers.

Brixton Apocrypha Scott Fernandez, 2015-12-04. Poems, *Paintings* by Scott Fernandez **Apocrypha** Peter Boyle, 2009. In *APOCHRYPHA*, Peter Boyle retrieves the luminous classical landscape that is the birthplace of Western civilization and the Western psyche. Setting out to find the discarded or forbidden parts of this landscape, his search brings to light a forgotten but distinctly classical undercurrent of animism, a piece in its intellectual lucidity and precision with classical science and philosophy. In the retrieved fragments of William O'Shaughnessy's translations, the outer world of poplars, ibis, windmills, commerce, and political vagary interflows seamlessly with inner worlds of sorrow, anguish, love, and loss to create a sparkling wholeness of meaning and matter that seems utterly lost to the West today. In a way that perhaps only a poet can, however, Boyle shows that this wholeness can be now as it always was, our own. *Desert Apocrypha* Zach Hively, 2021-11-02. Zach Hively's five poetic suites, feral and introspective, playful and mindful, make a book that feels as analog as the high desert itself.
