Annabella By Kit Moulton This love story takes place in pre WWII Europe first beginning in Panama in the summer of 1935 where Sonny James meets Annabella The character of Sonny James is a fictitious name of the author s late father who kept a journal of his stay in Panama in 1935 and his ten week bicycle trip though Europe with classmates from medical school in the summer of 1937 After Panama there were two years of no communication at least that s what Sonny and Annabella thought Each thought the other had gone their respective ways Annabella combines factual pre WWII European history with this bittersweet love story *Unseen Gods* Justin Holley,2025-10-14 Careful what you search for you may just find it With grotesque glimpses of the disappeared the past is alive and well After winning an old casefile at auction outlining the disappearance of a hunting party back in the nineties Kory and his pregnant wife invite their friend and mentor Professor Frank Colista and others for a casual long weekend of exploring the mystery onsite with very little hope of finding anyone or anything When one of their factions disappears without a trace Kory and Colista fear the past may repeat itself Then the deaths start As a savage unexpected snowstorm sets in the disappearances and ungodly sightings of the deceased ramp up and an old woman rambles about end of days and sacrifice FLAME TREE PRESS is the imprint of long standing Independent Flame Tree Publishing dedicated to full length original fiction in the horror and suspense science fiction the award winners and exciting original voices Learn more about Flame Tree Press at [www.flametreepress.com](http://www.flametreepress.com) and connect on social media FlameTreePress
