Jo McNally

Cape Cod Summers:

Cape Cod Summers Paul Vaughn, 2003 Cape Cod Summers and more as envisioned through the perceptive eyes and humorous wild imagination of a young boy who grew up and out of his New England childhood short pants as Paul Fithian and into his Californian long pants as Paul Vaughn The poignant pictures Vaughn paints with words jog the memory of many who remember their own youth on the Cape during the mid 20th century Other vignettes are unique to this last of three boys whose family traces back to at least the dingy beside the Mayflower A boy whose New England heritage was ingrained in his heart and soul enough that he often imagined his Puritan ancestors in their black buckled hats looking over his shoulder whenever he was doing something not quite right which was often It makes no difference where on the Cape these scenes take place but only that the Cape melds mentally and physically with this youngster as he struggles to find his own self in his own world These Cape images create scenes of a yesteryear bringing smiles chuckles and outright laughter to those who have also left their hearts on Cape Cod and to those doing so at this very moment [Cape Cod Summers](#) Beverly Koester, 2018-12-21 Beverly Koester takes readers back to her childhood summers in the 1950s spent in a small cottage in South Chatham Massachusetts For Beverly and her older sister the days were filled with swimming exploring in the woods walking to the post office and playing kick the can Along with their nature loving mother the girls dug for clams picked beach plums and watched Monarch caterpillars turn into butterflies And no summer was complete without a family outing to the Chatham Band concert Written with simplicity careful observation and a gentle sense of humor Cape Cod Summers shares one child's love of the Cape *The Salt House* Cynthia Huntington, 2012-01-15 A woman writer's lyrical memoir of a summer with her artist husband in a remote Cape Cod dune shack *Cape Cod Summer* Jeanne Judson, 1965 *Hurricane Summer* W. Z. Nelson, 2002-10 For young Emily Carr nothing could ever be more exciting than the pure anticipation of another summer on the Cape with her family She loved everything about the old house the smell the sound and especially the view Truro was a magical place for an eleven year old to explore and Emily just felt it in her bones This was going to be the best summer ever Too bad she wasn't exactly right Her expectations quickly dashed she is forced to find new ways to make the summer enjoyable But as another hurricane season prepares to batter the region she's got to find the strength and courage to keep herself her adorable dog Fred and her family all safe and entertained By the time the summer's over Emily and her family will experience laughter tears and no shortage of excitement Funny how things can spin out of control as their idyllic summer quickly becomes anything but [A Cape Cod Summer](#) Jo McNally, 2024-04-23 When it comes to love there's always something cooking If Lexi Bellamy had to describe Winsome Cove she would say the little Cape Cod town is tired and stuck in its ways Like its men or at least Sam Knight the handsome New Englander who irritates the Midwest nice right out of the former five star chef Looking for a reset after her ex fiancé all but ruined her career and reputation Lexi agrees to spend the summer rebranding Sam's family's run down restaurant Yet Lexi faces resistance from Sam with every change And
