## **Before The Wind:**

*Before the Wind* Mona D Sizer,2005-12 The poems in *Before the Wind* must speak for themselves with passionate clarity A shriek in black ink down a diary s page from Passage March 9 1936 Savoring the perversity of power I opened my hand from Adventuring In that world within our world The explosion of Armageddon from A Conundrum Visited Oh Greedy Race to want much more than human from Speed Thirty four million miles apart Through space so narrow that Your passing s like a kiss from On Seeing Mars August 27 2003 All the elements of fine ballads free and rhymed verses sonnets and a villanelle are present in this volume The past collides with the present in surprising images and the vivid future is both possible and probable

*Before the Wind* Jim Lynch,2016-04-19 Following *The Highest Tide* Border Songs and Truth Like the Sun Jim Lynch now gives us a grand and idiosyncratic family saga that will stand alongside Ken Kesey s *Sometimes a Great Notion* Joshua Johannssen has spent all of his life surrounded by sailboats His grandfather designed them his father built and raced them his Einstein obsessed mother knows why and how they work or not For Josh and his two siblings their backyard was the Puget Sound and sailing their DNA But both his sister and brother fled many years ago Ruby to Africa and elsewhere to do good works on land and Bernard to god knows where at sea a fugitive and pirate Suddenly thirty one Josh who repairs boats of all kinds in a Steinbeckian marina south of Seattle is pained and confused by whatever the hell went wrong with his volatile family His parents are barely speaking his mystified grandfather is drinking harder and he himself despite an endless and comic flurry of online dates hasn t even come close to finding a girlfriend But when the Johannssens unexpectedly reunite for the most important race in these waters all of them together on a classic vessel they made decades ago they will be carried to destinies both individual and collective and to a heart shattering revelation Past and present merge seamlessly and collide surprisingly as Jim Lynch reveals a family unlike any other with the grace and humor and magic of a master storyteller
