Behind These Walls:

Behind the Walls Jorge Antonio Renaud, 2002 Texas holds one in every nine U S inmates Behind the Walls is a detailed description of one of the world s largest prison systems by a long time convict trained as an observer and reporter It spotlights the day to day workings of the Texas Department of Criminal Justice what s good what s bad which programs work and which ones do not and examines if practice really follows official policy Written to inform about the processes services activities issues and problems of being incarcerated this book is invaluable to anyone who has a relative or friend incarcerated in Texas or for those who want to understand how prisoners live eat work play and die in a contemporary U S prison Containing a short history of Texas prisons and advice on how to help inmates get out and stay out of prison this book is the only one of its kind written by a convict still incarcerated and dedicated to dispelling the ignorance and fear that shroud Texas prisons Renaud discusses living quarters food and clothing along with how prisoners handle money mail visits and phone calls He explores the issues of drugs racism gangs and violence as well as what an inmate can learn about his parole custody levels and how to handle emergencies What opportunities are available for education What is the official policy for discipline What is a lockdown These questions and many others are answered in this one of a kind guide Although Renaud is incarcerated his writing is quite objective Because of this the book could be useful to educators One of the major frustrations of criminologists is the lack of public knowledge about important criminal justice issues Dr Gail A Caputo Department of Criminal Justice University of North Texas A practical guide for inmates families and presumably new inmates to understand the system an audience in Texas that is unfortunately quite large Dr Dana M Nurge College of Criminal Justice Northeastern University About the Author JORGE ANTONIO RENAUD was born in New Mexico and has lived in Texas most of his life A former copy editor for the Austin American Statesman and the Waco Tribune Herald Renaud is a contributing columnist for Hispanic Link News Service His op ed columns have appeared in newspapers across the country A former editor of the ECHO the Texas Prison newspaper Renaud has served time for armed robbery and was paroled in 2008 He holds a Bachelor of Science in Psychology from Sam Houston State University and currently lives in Austin Texas *Behind the Doors of San Miguel de Allende* Robert De Gast, 2000 Robert de Gast author of the popular *The Doors of San Miguel de Allende* crosses the thresholds of homes in this historic Mexican town to discover their remarkable outdoor paradises sunstruck lushly colored courtyards patios and breezeways that lay beyond them Come with de Gast as he guides viewers to parts of San Miguel visitors seldom see and offers glimpses into the daily lives and traditions of those who live in this unique place Established in the sixteenth century as a Franciscan mission the lovely town of San Miguel de Allende has been an art and artisanal center for nearly two centuries Its cool summers and mild winters have more recently made it a popular destination for vacationers from North America and Europe A part time resident of San Miguel since 1991 Robert de Gast is an award winning photographer and a widely published writer His avocations include hot air ballooning which he pursues in

Mexico and sailing which he does for part of the year on the East Coast of the United States *Church Behind the Wire* Barnabas Mam,2012-05-01 From the oppression and terror of the killing fields in Cambodia this is the story of how one man's conversion led to a rebirth of faith that brought hope to a nation Commissioned by Communists to spy on a Christian evangelistic crusade Barnabas Mam instead discovered Jesus and came to faith in Him After spending four years in prison camps at the hands of the Khmer Rouge Barnabas emerged as one of only 200 surviving Christians in all of Cambodia God raised him up to become the foremost evangelist and church planter in a land broken by genocide An inspiring story on a personal church and national level this is more than a narrative it's a blueprint for success for church growth of the most powerful kind

American Mass Incarceration and Post-Network Quality Television Lee Flamand,2025-10-01 Far more than a building of brick and mortar the prison relies upon gruesome stories circulated as commercial media to legitimize its institutional reproduction Perhaps no medium has done more in recent years to both produce and intervene in such stories than television This unapologetically interdisciplinary work presents a series of investigations into some of the most influential and innovative treatments of American mass incarceration to hit our screens in recent decades Looking beyond celebratory accolades Lee A Flamand argues that we cannot understand the eagerness of influential programs such as *OZ* *The Wire* *Orange Is the New Black* *13th* and *Queen Sugar* to integrate the sensibilities of prison ethnography urban sociology identity politics activism and even Black feminist theory into their narrative structures without understanding how such critical postures relate to the cultural aspirations and commercial goals of a quickly evolving TV industry and the most deeply ingrained continuities of American storytelling practices
