Hard Times and Survival; the Autobiography of an African-American Son William A. James Sr.,2018-10-19 Hard Times and Survival The Autobiography of an African American Son is my story It is how I overcame all the heartbreaking brutal and horrendous circumstances that I was born into in 1947 I saw it all in my first sixteen years unbridled lust gross immorality damning lies and terrible brutality by my father against me and my mother He tried to kill me once but kept up a constant campaign of horrible abuses of my mother until I left home at sixteen However success is the best revenge After three years of alcoholism I pulled myself together and went back to school on my own That was after I spent a year in Job Corps from 1966 to 1967 From 1975 to 1977 I went to Piedmont Virginia Community College in Charlottesville From 1977 to 1980 I attended Virginia State University in Petersburg I earned my BA and MA degrees I studied above a master s at the University of Virginia at Charlottesville from 1980 to 1983 I did not graduate but I learned valuable life lessons I started to write in 1993 about what had happened to me over the years and how I used my dire circumstances as motivation to pick myself up and make my life better I hope I am an example that will help others who are suffering through similar atrocities to be motivated to not give up but persevere and that they will as I did overcome anything they are being faced with **The Walls Around Us** Nova Ren Suma,2014-12-12 SPECIAL PREVIEW Ori s dead because of what happened out behind the theater in the tunnel made out of trees She s dead because she got sent to that place upstate locked up with those monsters And she got sent there because of me The Walls Around Us is a ghostly story of suspense told in two voices one still living and one long dead On the outside there s Violet an eighteen year old dancer days away from the life of her dreams when something

threatens to expose the shocking truth of her achievement On the inside within the walls of a girls juvenile detention center there s Amber locked up for so long she can t imagine freedom Tying these two worlds together is Orianna who holds the key to unlocking all the girls darkest mysteries We hear Amber s story and Violet s and through them Orianna s first from one angle then from another until gradually we begin to get the whole picture which is not necessarily the one that either Amber or Violet wants us to see Nova Ren Suma tells a supernatural tale of guilt and innocence and what happens when one is mistaken for the other Praise for *Imaginary Girls* A surreal and dreamy world where magical thinking is carried to a chilling extreme Publishers Weekly starred review Praise for *17 Gone* Suma s exquisite sentence level writing and fine eye for creepy detail are in abundant evidence Kirkus Reviews **Herald** ,1943 *The People Entertainment Almanac, 1998* People Books,Camille N.
