Tapply,2013-08-06 A Boston lawyer investigates a prep school teacher's suspicious suicide in this debut for one of the most

likeable sleuths to appear on the crime scene The Washington Post Book World Brady Coyne never meant to become the private lawyer to New England's upper crust but after more than a decade working for Florence Gresham and her friends he has developed a reputation for discretion that the rich cannot resist He is fond of Mrs Gresham unflappable uncouth and never tardy with a check and he has seen her through her husband's suicide and her first son's death in Vietnam But he has never seen her crack until the day her second son George leaps into the sea at jagged Charity's Point The authorities call it a suicide but Mrs Gresham cannot believe her son like his father would take his own life As Brady digs into the apparently blemish free past of this upper class prep school history teacher he finds dark secrets George Gresham may not have been suicidal but that doesn't mean he wasn't in trouble
